

AMENDMENTS

Amendments to the Specification

In response to the Office Action, Applicant hereby submits the attached appended substitute or amended specification (with clean and marked-up copies). The substitute or amended specification includes application matter previously submitted by Applicant but not entered by the Examiner, as well as amendments based on the Examiner's comments, and other amendments to correct typographical, grammatical, incorrect or misstated sentence structure, and other errors.

"No new material has been added to the substitute or amended specification."

Amendments to the Claims

This listing of claims will replace all prior versions and listings of attached claims in the application:

Claims 10 -21 (cancelled).

Claim 22 - 36 (new):

By canceling claims 10-21, and submitting the attached New Claims 22 to 36, the applicant has overcome all 35 U.S.C. 112 objections related to the specifications as stated in the February 3, 2006 Office Action. The Applicant believes that the substitute or amended specification is in proper form for entry.
